## **Senator Negrete McLeod's 3rd Annual Today's Youth, Tomorrow's Future Job & Resource Fair** *Jobseekers are encouraged to attend this free event open to the public*

Helping our youth obtain valuable job experience and earn some extra cash at the same time is a top priority for many community advocates in the Inland Empire. That is why the Employment Development Department (EDD) and State Senator Gloria Negrete McLeod have taken proactive steps to proudly sponsor and announce the **3rd Annual Today's Youth, Tomorrow's Future Job & Resource Fair**.

Partners include San Bernardino Valley College, Forward Focus Youth Enrichment Center, Inland Empire Veterans Stand Down, San Bernardino County Workforce Development Department, Boys & Girls Club of Redlands, Black Voice News, International Association of Workforce Professionals and the City of San Bernardino Parks, Recreation and Community Services Department.

**Guest speakers include former NFL Player (1984-1991) and Olympic Gold Medalist Ron Brown and former NBA Player (1998-2003) and Fontana High School graduate Corey Benjamin.**

The mission of this project is to offer youth in our community job opportunities, professional training and resource information for this upcoming summer season. Approximately 60 private businesses and 5 summer youth job contractors will be on hand to present information about job opportunities to students. This event will be of great benefit in their job search.

"Getting people back to work is very important, especially the youth which is the focus of this event. Recruiting employers and providing a venue to help our youth discover what job opportunities are available to them is a step in the right direction," said Senator Negrete McLeod. "All of the event partners and I are excited and eager to help everyone attending succeed. Although the resource fair is geared to youth, we encourage all to attend," added Senator Negrete McLeod.
