

February 2026

Dear Community Leader,

The Rancho Cucamonga Chamber of Commerce is proud to share an exciting milestone, the relocation of a new location on historic Route 66, at the northeast corner of Archibald and Foothill Blvd. This space represents more than a building. It is an investment in our city's future and a visible commitment to business, economic vitality, and community connection.

This Route 66 location will serve as a welcoming hub for business owners, residents, and visitors alike, a place to gather, connect, and grow. From concierge-style business referrals and partnerships, to helping visitors discover the best places to dine and shop, to hosting Small Business Development Center workshops, opportunities for future retail and community programming, this space will bring people together in meaningful ways.

As we look ahead to the Route 66 Centennial this year, we invite you to be part of something lasting by becoming a **Rancho Cucamonga Chamber Legacy Partner**.

Legacy Partners will be recognized as Founding Contributors, individuals and businesses who helped shape a project that will serve Rancho Cucamonga for generations. We are seeking both capital contributions and in-kind trade partnerships to help build this space with excellence and intention.

To honor your investment, all **Rancho Cucamonga Chamber Legacy Partners** will be recognized with permanent acknowledgement, including your name or business name displayed on a plaque within the space. You are encouraged to participate in leaving a lasting legacy in our city. We invite you to review the partnership opportunities below and take the next step in becoming a **Rancho Cucamonga Chamber Legacy Partnership** or to discuss custom in-kind opportunities.

Join us in building a legacy on Route 66.

With gratitude,

Heather Rawlings-Polk and the Rancho Cucamonga Chamber Board of Directors
