

2026 President Circle Sponsorship

Rancho Cucamonga Chamber of Commerce

Exclusive Marketing Opportunities: President's Circle Sponsorships for 2026

At the Chamber, we are proud to foster a supportive and connected business community through collaboration, education, and advocacy. Everything we do is guided by our commitment to enhancing quality of life and strengthening our local economy. Together with our members, we are working to position Rancho Cucamonga as the premier destination for doing business in the Inland Empire, an ambition made possible through meaningful, bold partnerships.

The President's Circle Sponsorship is our highest level of partnership and extends far beyond traditional marketing. It is an invitation to stand with us as community leaders. President's Circle partners receive year-round visibility, recognition, and engagement, while remaining closely connected to key initiatives, events, and community leaders. Through this exclusive program, you help shape a future where collaboration is the foundation of our shared success.

With multiple sponsorship tiers available, your investment can be tailored to reflect your organization's goals, values, and desired community impact.

President's Circle sponsors receive prominent logo recognition alongside fellow partners on event signage, Chamber banners, and our website. (Banners are refreshed three times each year to ensure continued visibility.)

We are also pleased to once again host our annual President's Circle Sponsorship Event at the Maloof Museum. Last year, we saw 90% participation from President's Circle sponsors, making it a memorable evening of connection and celebration.

We would be honored to have you join us at this premier level and continue building a strong future for our business community, together.

Our Mission:
We create a supportive business environment through collaboration, education, and advocacy, to deliver a vibrant quality of life and a thriving local economy.

Our Vision:
To position Rancho Cucamonga as the premier destination for doing business in the Inland Empire.
